1. Request that the effective date for transfer of the above sections from the Intelligence Division to the Central Intelligence Group be deferred from 31 May 1947 to 30 June 1947 for the following reasons:

No employee can be transferred to the pay-roll of the Central Intelligence Group before individual clearance has been obtained.

b. Certain short-range projects and special translations initiated at Special Documents Section by the Intelligence Division will be in process of completion during the month of June. It is thought preferable that these be finished and published before transfer, since the physical move of the section from Baltimore to
